### From 1 Samuel Chapter 1

In a town called Shiloh people gathered to pray in God's house. A woman named Hannah went to pray to God and asked Him for a son. She was very sad because she really wanted have a baby boy and other people teased her because she did not have any children.

Hannah asked God for a son and promised God that she would raise her son to do God's work. Soon after Hannah was pregnant and had a baby boy! She called him Samuel, because she had asked the Lord for him.
